Summer of Fun at the Boys & Girls Club

Summer 2010 was fantastic! Our members enjoyed 2, 5-week camp sessions which included field trips to museums, art galleries, amusement parks, sporting and cultural events. Members also participated in daily enrichment programs including *Read-to-Succeed: Daily Reading; Art & Beyond: Exploring Asia;*

Club Tech: Digital Arts; and SMART Moves: Life Skills Training. One lasting highlight: KaBOOM! Build Day, which brought a new playground to Bayshore Heights Park adjacent to our DeLue clubhouse. As our kids head back to school, we hope that they carry with them memories of a remarkable summer.

Joe Cotchett: A Man for All the Right Reasons

Joe Cotchett has long been a champion for not *who*, but *what is right* in our country. His Burlingame law firm with branch offices in Washington D.C., New York, and Los Angeles, have appeared in historical court cases across America. When this Club changed from the *Boys*

Club to the *Boys & Girls Club*, it was Joe Cotchett at the forefront of that trailblazing process. Joe has taken this Club under his wing and given us the benefit of not only his wise and profound counsel, but has been an outstanding funding resource for all our programs.
