We're Back in Session With Great Programs

Cutting edge fun and engaging educational programs are our top priority this session. Both Clubhouses are buzzing about *NetSmartz*, an interactive program to help our members be safe online. Capoeira--one of our most popular programs from last year--returns with members advancing to the next stage of this incredible Brazilian Martial Art form. In the games

room, *Triple Play* generates a beehive of activity through intra-club competition. *Neo-Sci* uses hands-on experiments to teach our kids about chemistry and biology while encouraging them to think about a career in science. Our leadership and service clubs, *Torch Club* and *Keystone Club*, have a full calendar of projects planned for this winter and spring. Wow!

All American Self Storage--The Space Experts

After 55 years, it is a given that the Club would need more storage space. Thanks to *All American Self Storage*, we have found the solution to that issue. Manager Pat Hughes, who is also a friend of the Club through her work at the San Mateo Lions Club, has taken care of our

needs for excess storage of seasonal items. The proximity to the Club is great and the hours of operation (7AM-8:45 daily) make access easy. Pat has been a champion of our Club for many years and we are grateful for the extra storage space *All American Self Storage* provides us.

Taste of Class Chorus - Members & Music

The Taste of Class Chorus recently performed a concert at the Bayshore Community Center and DeLue Clubhouse. The musical assortment of different genres was skillfully led by Chorus Director Marcus Tyson. The 20 plus members sang their way through standards, gos-

pel, and a Jackson 5 medley. There was also a special guest appearance by teenage singing sensation Sheryl Ann Padre from Stockton. The evening concert was a collaboration between the Mid-Peninsula Boys & Girls Club, A.S.E.S., and the Bayshore School District.
