Need A New Year's Resolution? Look No Further!

Looking for a great way to start the New Year? We have many excellent opportunities for you to become involved with the Mid-Peninsula Boys & Girls Club. You can be part of the positive development of our Club youth by volunteering your time as a tutor, a coach, a guest speaker, or an elective instructor. We are always in need of gift cards, movie

passes, or tickets to sporting events and museums to enhance the cultural and social experiences we give our members. If your company has a matching gift program, we would be a terrific beneficiary. Or help guide the future of our Club as a member of our Board of Directors. All inquiries: call Daniel Dadoun @ 650-347-9891 ext 100 for more information.

Kerry LeVann - Martial Arts Instructor / Volunteer

Through his work in the Belmont Rotary, Kerry LeVann regularly gave back to his community. In the summer of 2009, while watching a presentation at his Rotary Club by the Boys & Girls Club, Kerry decided to create a program for kids. His affiliation with the United Studios for Self

Defense, and with help from his good friend Pat Spiteri, Kerry brought a Martial Arts Program to the San Mateo Clubhouse. Recently, 18 members ages 6-15 became our inaugural graduating class, learning the basics in the art of self defense. Thanks to Kerry & Pat!

Goals for Graduation

This session, we are proud to offer **Goals for Graduation**: a weekly academic guidance program that links our members future aspirations with concrete actions today. At the Club, our goal is for every member to graduate from high-school and attend college. **Goals for Graduation**

helps our youth set academic goals, improve attendance and punctuality; strengthen study habits and improve grades and test scores. With program support by Club parent and volunteer, Karen H., we can make sure that all our members are on the college track.
