Holiday Joy for Mid-Peninsula Boys & Girls Club

Rita and Robert DeLue, along with *Robert Half International*, made this passed Holiday Season a very special and memorable experience for hundreds of local families. Their generosity, combined with that of *Nordstrom*, *Salesforce.com*, *The Jerry Rice Toy Drive*, and others, enabled the Club to give Holiday presents to members and their families, who other-

wise might never have received them. Special thanks to all the wonderful employees and volunteers for their continued support.

Lawrie - "VolunTeen" Extraordinaire

In preparation for her **Bat-Mitzvah**, twelve year-old Lawrie, decided to make her "mitzvah" project one where she could help kids with an organization she respected. Her commitment to working with kids serves as an inspiration to her peers at the Club.

It also is a reminder that we are never too young, nor too old, to help make a difference in someone's life. Lawrie has worked diligently on several projects, including: Necklace Making, Thanksgiving Art, Holiday Craft., and Popcorn Snowmen.
