## National Volunteer Recognition Week

National Volunteer Recognition Week gives the Club an opportunity to give back and say a big thanks to all of our incomparable tutors and volunteers. These are the unsung heroes of our organization, as our volunteers come in and make a difference one by one with our members. Thank you so much to our extraordinary volunteers--especially

our tutors--whom we honored for National Volunteer Recognition Week. We are deeply grateful to have the dedicated efforts of so many wonderful volunteers. Your commitment to our kids and their future, attests to your hearts. The Club will honor volunteers at the 1st Annual Volunteers Banquet on Friday May 27th.

For Volunteer opportunities call Stacey @650-347-9891 ext. 117

## Hector Martinez Is Going To Washington DC

DeLue Clubhouse member Hector Martinez was selected out of thousands of applicants nation-wide to participate in the **Bank of America Student Leaders Program**. In July, Hector will travel to Washington DC for a week-long Student Leadership Summit. This will be followed by an

eight-week paid internship at a nonprofit/charitable organization. Hector applied for the program after volunteering at the Club last year. Hector's goal is to learn as much as possible and help the kids at the Club. In the meantime, he counts the days until he visits Washington for the first time.

Club Member Hector Martinez

## Hitachi America Builds Relationships at the Club

As part of our NeoSci programming, Hitachi America, Ltd. volunteers gave members at both our Clubhouses an interactive lesson on Universal Design yesterday. Through their curriculum, our members put on their engineering hats, flexed their critical thinking and problem

solving skills by designing a remote control to have both form and function. Upon completion, each team had the opportunity to present their ideas. Now in our 2nd year, we are thrilled to have the opportunity to partner with Hitachi America, Ltd. Partners in Education.

Club Members and Hitachi employees planning

## Spring Enrichment Highlights

Over 400 youth attend both our DeLue & San Mateo Clubhouses daily. Here are a few highlights:

Capoeira Has Become Hugely Popular at the Club

Alvin Wong took 2nd Place in Regional Art Competition

Conditioning Drills for our Indoor Soccer League
